Available Commercial & Industrial Sites

If you are looking for a site for a commercial or industrial expansion or relocation, consider Montrose as your next home!

Commercial and industrial sites and buildings are conveniently located along U.S. Highway 12 with excellent access and exposure.

The City of Montrose and its Economic Development Authority are committed to working with companies to provide an overview of the various financial programs to determine eligibility and create a package which is beneficial for the City and Company!

For information on available commercial or industrial sites and information on financial assistance programs contact the City offices at: 763-675-3717 or economic development consultant Joanne Foust at: 952-758-7399 or mdg@bevcomm.net.

The Montrose Economic Development Authority was formed in 1992. This seven member commission is appointed by the City Council to foster business development in the City of Montrose. The Mission of the EDA is:

- To assist existing businesses with retention and expansion plans.
- To attract new commercial and industrial businesses to the community.
- To promote and encourage revitalization of commercial areas; and
- To encourage the expansion of the Montrose tax base.
