PARK & RECREATION COMMISSION MINUTES

SEPTEMBER 4, 2007

Pursuant to call and notice the Park & Recreation Commission met on September 4, 2007 at 7:00 p.m. at Montrose City Hall. Those present were Commission Members Nancy Monsrud, Doreen Outly and Ryan Andreae, Council Member Andy Kauffman and Deputy Clerk Wendy Manson. Commission members Jim Burk, Angie Carik and Scot Hemmesch were absent.

Agenda

No changes or additions, no quorum.

Pheasant Hills Park

The park land at Pheasant Hills has been surveyed, staked and mowed. There are no plans for improvements at this time. We will wait for Phase 5 to see what land is available. A letter was sent to the residents around the park land informing them of this.

Northridge Park

Andreae requested that the commission start on Northridge Park this fall. At least put in part of the playground now and the rest in the spring. Monsrud and Outly disagreed and stated that there needs to be a quorum of the commission for that decision to be made.

Rock Brook Park Roof Signs

A. Kauffman will check with Landscape Structures to see if we can purchase roof signs directly from them at a better price.

Rock Brook Park Handicap Accessibility

Manson did not hear from the EFA Representative regarding the wood fiber handicap accessibility. Kauffman will have someone from Landscape Structures get some information for us.

Mission Statement

Continue working on Mission Statement. We will need it for the next meeting.

Montrose Days

Because of the rain, the children's parade was held under the tent. 16 children participated. Monsrud, Outly and Burk were the only commission members present.

Adjournment

Meeting was adjourned at 8:00 pm.
